Message from the CEO

At Maritime International, our mission is to connect global employers with the skilled workforce they need, delivering reliable, high-quality manpower solutions that meet the demands of various industries. With a deep understanding of the unique challenges and opportunities in the Gulf region and beyond, we strive to provide our clients with the best talent, ensuring success in every project we support.

We take great pride in the professionalism, discipline, and dedication of our workers, who represent the values and strengths of Pakistan's workforce. Our commitment to quality recruitment, ethical practices, and personalized service is at the heart of everything we do.

As we continue to grow and evolve, we remain focused on empowering both our clients and workers, building lasting relationships, and contributing to the success of industries around the world. Together, we are creating brighter futures and driving progress across borders.

Thank you for trusting Maritime International as your partner in workforce solutions.

Aneeb-ur-Rehman

CEO, Maritime International

Executive Summary

Introduction

Maritime International (Overseas Employment Promoters), primarily a Pakistan licensed manpower recruiting agency registered under OP & HRD 4993 RWP, is engaged in the recruitment and supplying of Pakistani manpower for overseas employment. Our pool of manpower ranges from highly professionals such as managers, engineers, technical staff and up to general workers from different areas of industries in GULF side, such as petrochemical industry, power plant construction and maintenance, telecom industry, hotel services, heavy mechanical workshops, third party consulting services like quality health and environment, Quality control and assurances services etc. Building construction and school and college faculty staffing etc. Here at Maritime International our business goal is simple: Total customer satisfaction, through quality and personalized delivery of each given project plus value added services. With the population of 180 million people, Pakistan is one of countries those are bestowed with skilled, hardworking and professional people. That's why Pakistan is considered as a big source of manpower for those prospecting employers who find a need to fill their need for manpower outside their own countries. Our company that's why exists to cater the need of these prospecting employers/ companies to acquire their manpower from Pakistan.

A photograph of modern glass skyscrapers, viewed from a low angle looking up, with a clear blue sky in the background. The buildings have a grid-like pattern of windows and are reflected in each other.

Executive Summary

Our Mission

Potential of growth in recruitment industry is immense and our company seeks to take part as better alternative source of quality jobs for our countrymen and better alternative source of manpower for overseas employers. We are humbly confident in our ability to provide better quality services and seek to offer our competitive advantage in delivery of our services.

Our Vision

All our efforts In improving quality system, technological advances in our information technology, the practice of our corporate social responsibility, and professional excellence, are altogether put into place to support our vision to make us no less competitive, hopefully better, than the best in the Pakistan recruitment industry has to offer, along with this, we envision ourselves to find our own opportunities to stay as one of the industry's top performer.

Strategy & Implementation

At **Maritime International**, our strategy focuses on delivering exceptional manpower solutions by aligning talent with the evolving needs of global industries. We aim to bridge the gap between skilled Pakistani professionals and international employers through a structured and results-driven approach.

Social Responsibility

Our business comes with heavy social responsibility, and we assume such challenges. For many Pakistani families the only source of better living are the members who go to overseas employment and earn for them for their better living, in this way, we are the first door step for them where they knock with high expectation of better career of their own and their families as well. We realized and take the honor and humble pride for serving our social purpose and indeed we exist to serve our fellowmen and country

Maritime International

Our Approach

We don't just follow the same recruitment process on every vacancy. We create a bespoke campaign for all clients as standard and use our industry knowledge to provide the level of consultation you'd expect from a team of experts.

Our Candidates

We don't just send you our first 5 CVs or rely on a database of existing candidates. We use a Combination of attraction and selection techniques to identify and refine each targeted shortlist. That's why on average we only send 8 CVs to fill 1 job.

Our People

Our passion is recruitment excellence, not sales. We see ourselves as an ethical bunch who refuse to cut corners and we know how much our commitment and continuity goes towards keeping our clients and candidates coming back to us.

OUR RECRUITMENT PROCESS

01**PRE-SCREEN**

At Maritime International, our team of qualified technical evaluators, with extensive Middle East experience, ensures a thorough understanding of client needs. When clients send representatives for selection, we pre-screen and line up three times the required number of candidates, unless otherwise specified, to provide a diverse and highly qualified talent pool for optimal hiring decisions.

02**SELECTION**

At Maritime International, our highly qualified technical staff conduct worker selection on behalf of clients. Trusted by many, we take full responsibility for ensuring that every selected worker meets the required qualifications and standards.

03**REPORTS**

At Maritime International, we provide weekly progress reports to keep clients informed and address all queries within 24 hours. Upon project completion, a detailed final report is submitted, outlining visa and ticket utilization, applicant names, and deployment dates. Soon, all reports and communications will be accessible through our interactive website, ensuring seamless monitoring and correspondence for our clients.

04**VISA STAMPING PROCESS**

At Maritime International, we manage the visa stamping process efficiently:

1. Document Collection – Gather required documents (passport, medical certificates, contracts).
2. Verification – Ensure all documents meet embassy requirements.
3. Submission – Submit documents to the respective embassy/consulate.
4. Follow-Up – Monitor progress and resolve any issues.
5. Visa Issuance – Collect and verify stamped visas.
6. Notification – Update clients and candidates upon completion.

We ensure a smooth, timely process for seamless worker deployment.

05**DEPLOYMENT**

At Maritime International, workers' flight schedules are sent to employers three days in advance, with prompt notifications for any changes. We ensure our principals are always informed of flight details well ahead of time for smooth coordination.

ORIENTATION PROGRAM

At Maritime International, we ensure that our workers understand and respect the Islamic principles and social customs of Middle Eastern countries. We advise them against any actions that violate local laws or customs.

Before departure, we conduct thorough orientation sessions, emphasizing work and discipline as key to success. Workers are instructed to respect superiors, maintain a strong work ethic, and uphold the dignity of their homeland. Any breach of discipline can lead to serious consequences, harming their livelihood and reputation.

We also prepare workers for potential challenges in working with colleagues from different cultures, encouraging a spirit of cooperation and mutual respect. Workers commit to giving their best performance, fostering positive relationships with employers and co-workers alike.

Our Specialized Workforce

At **Maritime International**, we take pride in our highly skilled and diverse workforce, tailored to meet the specific needs of various industries. Our workers range from highly trained professionals, including engineers, managers, and technical experts, to skilled laborers in sectors such as petrochemicals, construction, telecom, hospitality, and more.

We focus on providing candidates who are not only technically proficient but also culturally adaptable, ensuring smooth integration into the work environment. Our workforce undergoes rigorous training and orientation to meet the highest international standards, ensuring quality, discipline, and excellence in every project.

By supplying specialized and reliable talent, we help our clients achieve operational success and maintain high standards across their projects.
